I. GREAT OAKS PURPOSE AND GOALS

PURPOSE:

We are Great Oaks—the first choice in providing innovative career training to empower individuals and communities.

GOALS:

All associates work together to:

1. Prepare and support all learners to successfully enter, compete and advance in their educational and career paths.
2. Create an environment and provide resources that meet the evolving needs of learners, industry and our communities.

II. STUDENT RESPONSIBILITIES

Attendance

Attendance is vital to the student’s success at Great Oaks! The student is establishing an attendance record that will be carried over to the next step in their career. Whether the next step is college, working in their career, military or a combination of these, establishing a good attendance record is a necessary factor in the student’s success. Attendance is required of all students enrolled in school during the days and hours that the school is in session.

The campus requires notification and cause for any absence from school or required school activities from the parent. The student’s parent/guardian is required to contact the school office prior to 9:00 AM on the day of the absence. The campus has the right to verify and investigate the cause of any and all absences of any student.
Attendance Definitions

A. **Excused Absences:** Absences will be excused only under the following circumstances.
   a. **Short Term Personal Illness:** The parent or guardian of a student may write an excuse for a student experiencing illness for up to sixty (60) hours. After sixty (60) hours, a doctor’s excuse must be provided, signed by the doctor and indicating the reason for the student’s inability to attend school. Any absence greater than sixty (60) hours in a school year due to illness that is not accompanied by a doctor’s excuse as described above will be unexcused. A doctor’s excuse must be provided to the school within forty-eight (48) hours, (i.e. two (2) business days), of the student’s return to school or the absence will be unexcused.
   b. **Illness or Injury in the Family:** Independent verification by a physician explaining the nature and severity of the illness or injury to the family member requiring the student to be absent will be required within forty-eight (48) hours, (i.e. two (2) business days), of the student’s return to school.
   c. **Quarantine of the Home:** Absences will only be excused for the length of quarantine as determined by health officials. Verification from relevant health officials explaining the nature and length of the quarantine must be submitted within forty-eight (48) hours, (i.e. two (2) business days), of the student’s return to school.
   d. **Death in the Family:** Three (3) days excused absence will be permitted, unless a parent or guardian offers a reasonable explanation that more school absences are necessary. The parent or guardian may provide a note to the school to advise the school of the absence; however, under certain circumstances, the school may require additional documentation to confirm the student’s absence was legitimate (i.e. funeral service documentation, etc).
   e. **Observance of Religious Holidays:** Any student shall be excused if his/her absence was for the purpose of observing a religious holiday consistent with his/her truly held beliefs and the parent or guardian has notified the school in writing at least forty-eight (48) hours prior, (i.e. two business days), to the absence.

B. **Unexcused Absences:** Absences by consent of the parent or with the parent’s knowledge for a reason not acceptable to the school or absences that are not followed by written documentation from the parent or doctor. The school administration will make the final determination as to whether an absence is excused, but in general, unexcused absences include, but are not limited to:
   a. Missing the school bus
   b. Experiencing transportation problems at home or on the way to school
   c. Remaining at home to complete school assignments
   d. Missing school without legitimate illness
   e. Oversleeping
   f. Working at a job during the school day without proper job placement paperwork completed
   g. Babysitting
   h. Any form of recreation
   i. Personal business that can be done after school or on the weekends
   j. Non-school sponsored sports or non-school events
k. Pictures or portraits
l. Hunting season

C. Habitually Truant: A student who is absent
30 or more consecutive hours without a legitimate excuse
42 or more hours in one month without a legitimate excuse
72 or more hours in one year without a legitimate excuse

For students determined to be habitually truant:
1. Written notice will be provided to the parent/guardian
2. Student will be assigned to an absence intervention team
3. If the child fails to make progress after 61 days on the personalized absence intervention plan, the district will file a complaint in juvenile court
4. Counseling will be provided
5. The student's parent or guardian will be asked to attend parental involvement programs or truancy prevention mediation programs
6. As applicable, the registrar of motor vehicles will be notified
7. Children Services will be notified as deemed necessary

D. Excessive Absences: A student who is absent WITH OR WITHOUT A LEGITIMATE EXCUSE
38 or more hours in one school month
65 or more hours in one school year

For students determined to be excessively absent:
1. Written notice will be provided to the parent/guardian
2. The student will follow the district's plan for absence intervention
3. The student and family may be referred to community resources

E. Absence Intervention Team
The school based absence intervention team will establish a student-centered absence intervention plan by identifying specific barriers and solutions to attendance problems.

Membership of the team will vary based on the needs of each individual student, but each team is required to include:
1. A representative of the school or district.
2. Another representative from the school or district who has a relationship with the child.
3. The child's parent/guardian.

Care of Equipment

Students are required to show appreciation of and respect for property, including all equipment, supplies and furnishings in the school campus complex as well as that of their own and other students’ property.

General housekeeping chores are required of all students including disposal of wastepaper and trash into proper receptacles, keeping work areas free of dirt and litter and, in general, keeping the
classrooms, labs, restrooms, cafeteria, halls and grounds clean, attractive and safe. Students who destroy property or school furnishings and equipment will be held responsible for its immediate repair replacement. Parents or legal custodians may be fined up to $10,000 and costs for malicious destruction of property by students. (ORC 3109.09)

**Career-Technical Courses/Academic Courses Make-up Work**

Students are responsible and obligated to make up the work they miss due to absence. All work missed by students must be made up as soon as possible after returning to school. All make-up work must be completed within the quarter missed unless extenuating circumstances (i.e., extended illness) are present requiring special arrangements from administration and instructors. If a course has a time requirement the student will also need to make up the time missed.

Students who are suspended or absent have three days upon their return to make arrangements with their instructor to make up the work. Students expelled will not be permitted to make up their work.

**Emergency Medical Forms**

Emergency Medical forms are filed in the student’s file. Each student is required to return the completed Emergency Medical form to the campus no later than the end of the first week of school. Students may be denied career-technical program participation until the form is completed and submitted.

**Enrollment Recommendations**

Students enrolled in a two-year secondary program at a career campus are recommended to be in good standing and of junior status in the student’s affiliated school. Students enrolled in a one-year program are recommended to be in good standing and of senior status in the student’s affiliated school.

Students may earn up to seven credits each school year, depending upon the career-technical pathway and academic courses. Students will receive their high school diplomas from their affiliated schools.

**Health and Safety**

Correct health and safety practices and procedures are observed on the campus. Proper use of safety equipment and shop safety practices are integral parts of the career-technical program. All accidents must be reported immediately to the main office when they occur.

Great Oaks follows the guidelines of the Occupational Safety and Health Administration (OSHA). Students will not be permitted to fully participate in their educational program if they are in violation of safety guidelines.
**Locker Access**

Personal possessions of students ordinarily used in school activities may be stored in lockers owned and provided by the school. Students are responsible to lock or secure the lockers. The school is not liable for any item which is damaged or stolen.

**Loitering**

Loitering about the campus buildings and parking lots is not permitted. Students who arrive early or stay late must be in a designated area. Any student or employee who observes someone loitering on campus should report them to the office.

**Medications**

Students required to take medication at school must comply with the following procedures:

1. Prescription medication must have written orders from the physician detailing the name of the drug, the dosage and times, and the reason for its use. An employee designated by the Campus Dean must initial and file the orders in the Student Services office.
2. The parent or legal guardian must provide written permission requesting the school to administer the prescribed and/or non-prescribed medication. An emergency telephone number of the parent or legal guardian must be included in the request.
3. The medication must be taken in the presence of the designated employee.
4. The medication must be in its original container.
5. The medication shall be stored properly and secured in the Student Services office.
6. The campus personnel shall notify the parent or legal guardian of any suspected reaction and/or side effects to the medication, which they observe or is reported to them.
7. Accurate records must be kept on all medications administered to students by the designated employee.
8. New request forms must be submitted for each school year and as necessary for any change in medication.

The intent of the above procedures is to ensure that no medication will be taken without proper authorization. The role of the campus will be one of cooperation with the parent and student. The designated employee will distribute medication only if necessary and all of the above guidelines have been followed. (Policy 5141.3)

**Parking Permits**

Parking permits are available for students not using bus transportation. This includes co-op students who work off campus. Permits to drive on a continuing basis must also be approved by the parents. Parking permits must be displayed in accordance with campus procedures. Cars must be parked and locked upon arrival at the campus. No visiting, eating, loitering or going out for lunch in cars is permitted. Abuse of the use of cars and parking privileges will result in loss of their use. The District will not be held liable for damages, theft, or contents of vehicles on the property.
Personal, Locker, and Vehicle Searches

Student lockers and lab lockers assigned to the student are the property of the Great Oaks Career Campuses (Great Oaks). School officials may conduct random searches of student lockers and their content at any time. Canines may be used for such random searches.

In addition to random searches of lockers and their content, school officials may conduct searches of lockers and any school property assigned to students if there is reasonable cause to believe that the school property or area being searched contains an item or items that constitutes or is evidence of a violation of law or school rules or may be a threat to the safety or security of the student, others, or property. General housekeeping inspection of school property assigned to students and their contents may also be conducted with advance notice to students, and searches of school property assigned to students and their contents may be conducted when there is an emergency situation or imminent threat to the safety of persons or property. Canines may be used for such searches.

A student’s person, personal property or automobile may be searched at any time there is reasonable cause to believe that the student has on his or her person or the student’s personal property or automobile contains an item or items that constitutes or is evidence of a violation of law or school rules or may be a threat to the safety or security of the student, others, or property. Canines may be used for such searches.

In addition to canine searches, as indicated above, canines may be used, at any time and without notice, to “sniff” any school property areas or automobiles on school property.

Students are to dress in a manner that would satisfy and be acceptable to future employers. This purpose of the dress code is to “dress for success” and come to school properly prepared to participate in the educational process. The dress code includes, but is not limited to hair, clothing, buttons, badges, insignia, words, pictures, jewelry, or other items or symbols or expression (“student dress”).
