

We are **Diamond Oaks**

Covid-19 Guidance

- **If your student tests positive for COVID or has symptoms of COVID, please contact the school nurse, Niki Luken, at 513-598-7841**
- **If your student is not feeling well, please do not send your student to school**
- **Great Oaks recommends all individuals wear a mask inside school buildings**
- **Federal government mandates all individuals wear masks on school transportation**
- **Schools are still required to track and report positive cases, as well as contact trace for potential exposure**
 - **Hamilton County Health Department requires all non-vaccinated close contact individuals without a mask to quarantine**
 - **All close contact individuals are considered non-vaccinated unless documentation is provided**
 - **The number of days is based on Hamilton County Health Department's guidelines**

Great Oaks Practices

- **3-foot social distancing where possible**
- **Encourage hand-washing and hand-sanitizing**
- **Consistent and regular enhanced cleaning processes**
- **Classroom and commissary seating charts – please communicate to your student the importance of adhering to the assigned seating policy to ensure the health and safety of all students**

Together we sparkle, so you can shine!
