

## College credit available to you Equine Science & Management

By completing this program, you could be eligible for college credit!

Here's what is currently available (if you qualify) and how to make sure you get it:

1. **Articulated credit.** Great Oaks has agreements with certain colleges; if you attend one of those colleges you can get credit toward a specific degree. Currently, Great Oaks has agreements in your program with:
  - a. Southern State Community College (Agriculture Production, up to 4 credit hours possible)
  - b. Clark State Community College (Agriculture Business Technologies, up to 6 credit hours possible)
  - c. Ohio University—Southern Campus (Equine Studies, up to 10 credit hours possible)
  - d. Wilmington College (Agriculture, up to 2 credit hours possible)

For more information, contact your career-technical instructor.

2. **Dual credit.** This is credit in English, mathematics, social studies or science that can be used at any public Ohio college or university. To qualify, you must have taken an academic dual credit class at Great Oaks.

To apply for dual credit, you will need your transcript from Hocking College showing that you passed a dual credit class at Great Oaks. Go to [www.hocking.edu](http://www.hocking.edu).

Questions about any of these? Contact a counselor at your Great Oaks campus:

Diamond Oaks	513.574.1300
Laurel Oaks	937.382.1411
Live Oaks	513.575.1900
Scarlet Oaks	513.771.8810
