

Permission to participate in May 20th Regional Drill at Scarlet Oaks

Scarlet Oaks will be the site of a regional disaster simulation on May 20, 2016. Area fire departments, emergency responders, and hospitals will test their capability to quickly handle and track large numbers of patients. Student volunteers will receive makeup to simulate injuries and then will be placed in emergency vehicles and transported to designated hospitals. The volunteers will be driven back to campus on school buses in time for regular dismissal.

Students are asked to be at campus as early as 6:00 a.m. on May 20 to prepare for this exercise.

Please note your approval for your son/daughter to participate in this activity and return this signed form to his/her lab instructor at Scarlet Oaks.

I grant permission for _____ to participate in the May 20 regional drill.

I will make arrangements to have my son/daughter at Scarlet Oaks around 6:00 a.m. on May 20.

My son/daughter will not be participating in the May 20 regional drill. I understand that they will participate in job shadowing arranged with their lab instructor during that day.
