

CareerX Information Night

CareerX is a Career Exploration and Employability Skills program for students with special needs. As an entry-level transition high school program designed to assist students in making career choices, each student will explore five career areas through a series of activities to learn entry-level industry appropriate employability skills. The outcome of the CareerX program is to help each student narrow their interests, skills and aptitudes in order to move to their next transitional step toward competitive employment.

Upon completion of this program, a student who meets specified requirements could possibly enter into:

- Project SEARCH
- Competitive employment with referral to an adult agency (OOD/DDS)
- Referral to an adult agency
