ADVICE

• Project SEARCH Xavier University Interns were asked, “What advice would you give a prospective student who was considering attending Project SEARCH Xavier University?”
Skills Trainer’s Advice

- At work you do the same things everyday. It is called work!
- Our intern’s success is our success!
- Do your job LARGE or SMALL do it RIGHT or not at all!
Former Student Advice Slides

- From 2012 to 2020
Madison Advice

You will be doing a variety of different skills that you might not like at first but it will help you develop job skills for a future career.
William’s Advice

You should come to Project SEARCH because it helps you to get a job and it will make you get more money in a real job.
Jake's Advice

This is a good opportunity to get some job experience under your belt. Don't miss it.
Jordan’s Advice

A phenomenal program a person to enter so that way they'll figure out what he or she would want to do with their lives.
Claire's Advice

It gives you job experience and you learn new work skills.
Chris’ Advice

Do your best and don't let the things that seem small, drag you down. Always strive to do your best, and the Instructors will be there to help you move further in the "Road of Life."
Drew's Advice

It is great for students to learn how to get a job and keep it.
You need to be open minded that you will get a job at the end and you will succeed.
Annie’s Advice

My advice is always be confident with yourself when you are working.
Chris D’s Advice

My advice is always have a positive attitude towards work because it will help you improve on your work ethic.
Alex’s Advice

My advice is have a good attitude and be responsible for your work.
Samantha’s Advice

My advice is you must be on time, have the appropriate outfits, be kind, and have a positive attitude.
Weston’s Advice

My advice is you will have to ride the metro bus to Project SEARCH Xavier. You will have fun.
Christian’s Advice

My advice is if someone asks for money when standing waiting for the bus just say “No.”
Louis’ Advice

My advice is always stay on task on work and stay focused on work not personal issues.
Nick’s Advice

My advice is move fast when you are working.
Jeremy’s Advice

My advice is you must be on time and get off on time and clock in and off on time. Make sure you don’t forget to put the right uniform on with a name tag and hat if necessary with combed hair. Always be pleasant to your employers and co-workers.
Andrew’s Advice

My advice is you will get good work experience and some people might get a job at Xavier after Project SEARCH.
Jimmy’s Advice

My advice is always have a good work ethic and a good positive attitude.
Tripp’s Advice

My advice is make sure you have good hygiene.
Carson’s Advice

My advice is you should work hard and never be lazy at work. I really like riding the bus from Fields Ertel everyday.
Hillary’s Advice

Bring a smile on your face and a good attitude.

What I like about my internship is sorting the student’s letters in the mail sorter and putting the letter’s in the student’s mailboxes where they live on campus.
Hunter’s Advice

My advice is you will like taking the metro bus from home to downtown and from downtown to Project Search and from Project Search to downtown and from downtown to home. It’s fun riding the Metro bus because of the experience and it’s really easy to use the Metro.
Jax’s Advice

• My advice is taking a Metro bus is a relaxing ride to downtown, Xavier and home. I like riding on the Metro bus.
Mary’s Advice

My advice is to know what you want to do by the time CareerX is over. It not only helps instructors, it also helps future employers and Project SEARCH instructors. You just might get a job before Career X is over.
Sarah’s Advice

My advice is to be patient during the internship sites because it will start slow at the beginning then as you get further in the year it will get better.
Austin’s Advice

My advice is to get to know others so it makes it easier to talk to other people. You should also give it your all and don’t give up even if you’ve made a mistake.
Thomas’ Advice

If you are stuck on something, please go and get a skills trainer and ask for help.
John’s Advice

If you aren’t used to standing for long periods of time get used to standing quickly.
Bruce B’s Advice

• My advice is get ready because you will use the Metro bus and the Metro Plus bus.
• You will like Xavier, you get to move in the freshmen.
Owen’s Advice

My advice is to try your best and when you work at your internship it will be kind of hard to do because you have to learn the job.
Michayla’s Advice

One piece of advice I would give the incoming interns is treat it like a job and try your best.
Damario’s Advice

Make a good impression on your internship.
Bruce M’s Advice

- If you need help with certain things, ask for help.
Bobby’s Advice

• There are many different kinds of jobs at Project SEARCH.
Drew’s Advice

My advice is work hard and be your self.
Be strong and always keep positive.
Cory’s Advice

If you are having trouble with the stuff that you are working on, just keep trying hard and don’t give up.
Jeremy’s Advice

One advice I will give you is be ready and prepared for Project Search. You want to be on time and get ready for your first day of your job. Don’t waste your time. To be a prospective student, you must come here with your happy face.
Eric’s Advice

If you can believe in yourself and your unforgettable imagination, you can always count on your fantasy and your dreams and never give up!
Dbronte’s Advice

• Always keep pushing yourself to your goal that you want
• Don’t let negative words stop you from doing anything
• One thing to do is keep a smile on your face to motivate yourself on your job site
Ronald’s Advice

“It’s a long and difficult road to take. But if it was just a stroll through the park, I personally don’t think it would be worth it.”

A QUEST IS NO FUN IF IT’S TOO EASY TO COMPLETE

Project SEARCH
Elias’ Advice

Advice that I will give you guys is work hard and listen to the teachers and ask question if you are confused on anything.
Emily’s Advice

They teach us how to learn skills and do better at work.

They tell you to be confident.
Dustin’s Advice

My advice would be to look professionally dressed and have positive behavior. When introducing yourself, give a good hand shake and smile.
Brandon’s Advice

The advice I want to give them is if they work really hard at Project Search they will be able to get hired before the school year is over.
Aaron’s Advice

Don’t be afraid to be yourself in a positive way.
Be a leader and not a follower.
It is important to listen to other peoples opinions and respect them.
Alex’s Advice

My advice to you is to always behave very good and be a hard worker at whatever job sight you are at. Also do not be such a slow rate worker!
Dre’s Advice

The job coaches push you to do better.
If you try to give up, you will be pushed to keep going.
Project SEARCH will help you with getting a job!
Mark’s Advice

You must be ready for work. You will work with new people you never met. You must be to work on time everyday to please your job coach.
Parris’ Advice

My advice is to be on time everyday and do not be late.
Be a hard worker.
You must act like a responsible adult.
Ricky’s Advice

Be a hard worker.
Be on time.
Don’t be late for class.
Wash your clothes everyday.
Be on time to work everyday.
Seth’s Advice

Be ready to work hard and get the job done.
You must work with other people that you don’t know.
Make sure you are on time to the job site that you are at.
My advice is to be on time and follow the rules. You must want to get a job and be willing to learn new things.
Shane's advice

My advice for the future Project Search students is to be prepared to be treated like an adult and you will be expected to act like one. Be prepared for the elements like rain, snow and hail because weather affects your commute.
Rebecca’s Advice

- Be a good listener.
- Be on time for class or work.
- Be prepared for work.
Chris M’s Advice

Project Search will help you to get a job.
Project Search will help you to make new friends.
Project Search will help you to learn many things.
Project Search will help you to follow the rules.
Kayla’s Advice

Get to work on time and don’t be late. You got to stay on task and be focused on your work and talk to others around you if you’re working or not. You got to have a good attitude and respect others around you and treat them kind and loving and caring.
Jonathan’s advice

You have to work fast and watch your time
Make sure you are on time for work
Make sure you are on time for your bus
Make sure you use your cellphone to contact the teacher
Melana’s Advice

You have to work on the job.
You make new friends.
You learn a lot about a job.
Dannyelle’s advice

Be very calm and keep a good attitude
Morgan’s Advice

One advice that I would give to someone before they go to Project Search is to stay positive. Don’t come in being stressed out. Take a few minutes to take a deep breath and walk in with a positive attitude and a positive smile.
Brittney L’s Advice

Project SEARCH helps you find out what you like in a job and what you don’t like in a job.
Chris’ Advice

At Project SEARCH there is a good chance you will find something that interests you even if it cooking or landscaping you can learn all these jobs and take those skills with you anywhere.
Anthony’s Advice

My advice to students who would like to come to XAVIER UNIVERSITY for Project Search is to OPEN your ears and engage your brain so that you can learn on the job and take the skills with you anywhere.
Samuel’s Advice

I would tell them that I learned how much grass seed I put in a bucket. I would tell them some things that I like are weeding and putting in new mulch. Also tell them it is hard to pull weeds that have strong roots.
Tomas’ Advice

My advice to them would be to come to learn.
I would also tell them that it is great to meet all the different people.
They also would see all the different things on campus.
Brittney H’s Advice

My advice for students coming to Project SEARCH is that you have to be ready for anything that is thrown at you. I have learned so much but the best part is making friends with people on campus.
Ceauntay’s Advice

I like coming to Xavier University because it helps me know what I am about to do if I go to work. I learned how I can work independently. I also like being around the mentors.
Crystal’s Advice

My feet hurt at the end of the day, get yourself some good shoes.
Marquita’s Advice

I am happy that I came to Xavier because I am around people my age and we get it have a mentor this year.
What I don’t like about Xavier is working in the cafeteria.
Will’s Advice

I like the mail center. It is good job to work at.
Teresa’s Advice

You have to be a hard worker.
You can’t fool around.
You have to be on time.
You have to be clean every day.
India’s Advice

I like coming to Xavier because they can help me get ready for the work force. I’m glad I came here.
Savvy’s Advice

I wish someone would have told me a head of time what kind of jobs that they have here.
Lexus’ Advice

I like working outside. Walt is the best boss I ever had.
I learn a lot from him when we are on the job.
I learn about the plants we work with and the tools.
Maegan’s Advice

I like coming to Xavier because I am learning how to work and become more independent. Also I get a mentor as a friend and I like how we get to do activities with our mentors.
Brooke’s Advice

I like coming to Xavier because I am learning different stuff and we get a mentor which I like because I like to be around college students around my age.

I meet different people in Project SEARCH.
Zachary’s Advice

I like being at Xavier because of the things that I am learning that I did not know before.

I also go around the college to do my job here at Xavier to drop off and pick up boxes. To me, it is a lot of fun.
